

## **SUPPLY LIST – WCMS 7<sup>TH</sup> GRADE – 2023-2024 SCHOOL YEAR**

Dear Future 7<sup>th</sup> Grade Parents/Guardians:

Below please find a list of supplies that students will need for the 2023-2024 school year. We hope that by providing this list in advance, it will make it easier for you and your child to obtain them. To simplify the purchase of school supplies, you have the option of ordering through the PFA. Place your order online on the WCL / PFA website. We commend you for getting your child ready for school and appreciate the assistance you will provide **replenishing supplies, as they are needed, during the course of the school year**. Please accept our best wishes for a pleasant summer.

Any items that you can find that are durable, waterproof or tear resistant are appreciated. To better help with organization for the students, please use a different color (of your choice) notebook, and/or folder for each subject except where indicated. For example, math is blue, science is green, etc.

### **General Supplies:**

- Athletic - Students will not have access to the PE locker room or lockers at the start of the school year. Students will need to wear athletic attire to school on the days they have PE (no jeans, Crocs, slippers, sandals, slides, boots, etc.) Students also need to be prepared to go outside during PE (suggested: extra pair of sneakers and socks if wet outside. Sweatshirt, sweatpants as weather gets colder).
