

Third Grade Homework Policy

Every Monday students will receive their agenda. Students will be responsible for completing:

- One math worksheet due Friday
- 20 minutes of IXL due Friday
- Two word study assignments due Friday
- 15-20 minutes of reading per night

Additionally, there will be one reading response given at the beginning of the month. This will be due at the end of the month.

Parents:

Math homework can be completed any night of the week depending on your child's schedule. However, reading should be completed daily and the agenda should be signed each night. By signing your child's agenda each night, you are confirming that you have supervised or reviewed your child's homework.

If homework is not completed on time it will be sent home to be completed over the weekend.
